The screenshot shows the 'fund finder' app interface. At the top, there is a back arrow, the 'fund finder' logo, and a help icon. Below the logo is the title 'Who Are You?'. The screen displays a list of roles in grey buttons: Patient, Caregiver, Healthcare Provider, Pharmacy, Drug Company, Patient Advocacy Organization, Other - please specify (highlighted in green), and PAN staff. At the bottom, there is a pink 'Done' button with an orange arrow pointing to it.

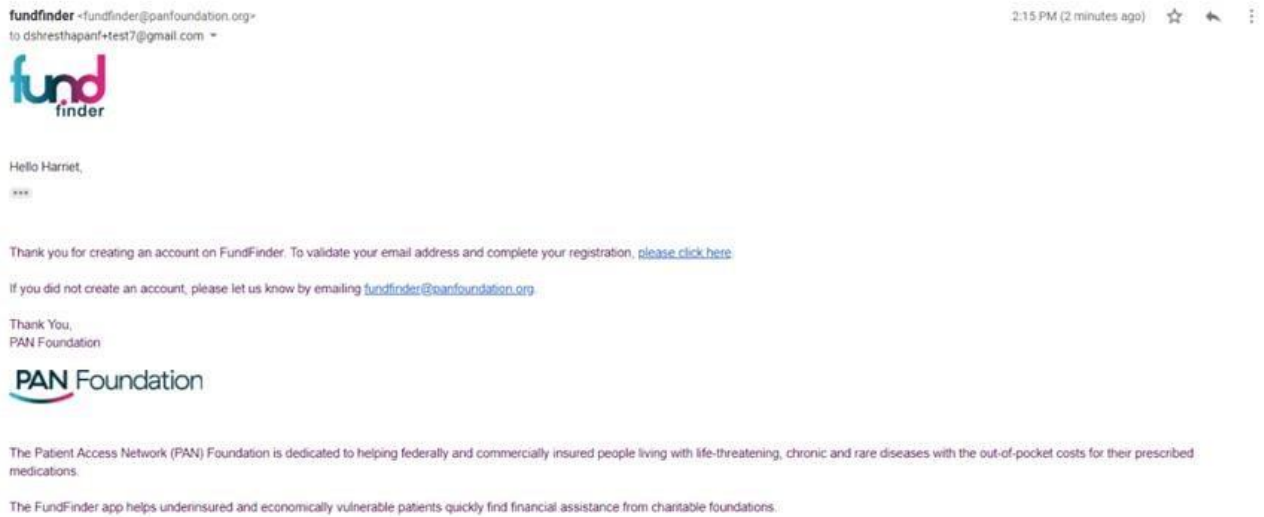

9. When your account has been created, you will be redirected to a success page requesting that you activate your account. An activation email will be sent to your account within a few of minutes. Clicking **Home** will direct you to the FundFinder login page.

Please note, to log in you must first activate your account by checking your email.

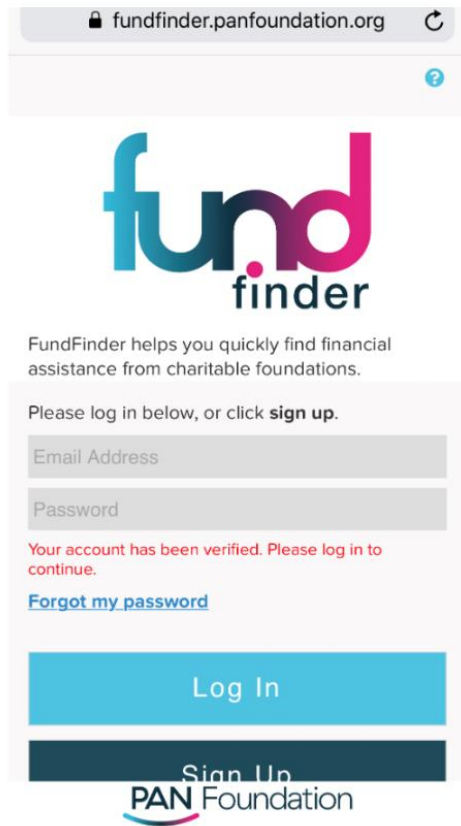

10. To activate your account, check your email inbox for an activation email from fundfinder@panfoundation.org with the subject "PAN Foundation: Activate Your Profile." Please check your spam folders if you cannot locate the email.

11. Once you have opened the activation email, click the hyperlink to complete your account registration.

12. When your account is verified, you will be redirected to the login page. To log in, enter the email and password you used to create your profile.

13. After logging in, you will be able to follow disease states and receive notifications when funding becomes available. For detailed instructions on how to follow a fund, refer to our step-by-step instructions on the [FundFinder FAQs webpage](#).
