PAN Foundation

Need help covering the cost of your treatment?

We can help

The help you need

Why turn to PAN for help?

The Patient Access Network (PAN) Foundation is the fastest, most dependable way for you to receive financial assistance with your out-of-pocket costs for critical medical treatment. PAN provides the help you need so that you can start focusing on what matters most—your health. PAN offers:

- » **Easy online application process**
- » **Instant determination of eligibility**
- » **One-year grants, with potential for renewal**

No one offers a broader array of assistance programs than the PAN Foundation. And no one is better suited to help you access the treatment you need.

Call **866-316-7263** to speak with one of our knowledgeable representatives.
